**WHAT
IS A
DEMOCRAT?**

DONATE HERE:

A DEMOCRAT is not a *socialist*, nor are they a *communist*.

A Democrat believes in (and fights for) **Democracy** for the people and by the People of United States of America. Ask yourself: Besides fear and bigotry, what exactly is the GOP doing for you? We are probably what you're looking for.

THE DEMOCRATIC CREED

- We believe that all people are created equal, that this is America's fundamental ideal.
- We believe that America is a democracy, by and for the people: ruled by the Constitution and its interpretations, protected by the Bill of Rights, and inspired by the Declaration of Independence.
- We believe that the founding documents demand Freedom, Justice, and Opportunity for all Americans, in full and equal measure ... regardless of who you are, what you believe, or where you live.
- We believe that the Duty of government is to strive endlessly to make the ideals of Freedom, Justice, and Opportunity a reality for all.
- We believe that the Purpose of government is to protect our nation, defend our democracy, and to endlessly promote the welfare of each and every one of us.
- We believe that fighting for these ideals is our purpose as a political party.
