

WHAT IS  
OPPORTUNITY?

WHAT IS  
OPPORTUNITY?

# Opportunity means . . .

**EVERY AMERICAN** deserves an equal chance to pursue their dreams, to be judged on their ability and their effort alone.

**EVERY AMERICAN**, child and adult alike, deserves the education that gives them that chance.

**EVERY AMERICAN** adult deserves the chance to earn a living wage, and to work with dignity . . . a job where pay, working conditions, and treatment are suitable reward for the effort and skill put in.

**EVERY AMERICAN** deserves to live without fear of hunger or homelessness or lack of medical care. These things are not only rights, they are America's moral duty to provide.

**EVERY AMERICAN** deserves to live in a healthy environment that includes clean air, clean water, and safe food.

**EVERY AMERICAN** deserves the chance to move forward: no one left out by change, and no one left behind . . . no matter who they are or where they live.

**THIS IS WHAT WE BELIEVE.**
